GENTLEMEN,

AT a Meeting of the Coal Trade from Shields, Sunderland, and this Town, held this Day at the Trinity-house, your General Letter of the 14th Instant was read and considered; when the following Resolution was unanimously agreed to be published in the Gazette and the Newcastle Papers; and that Hand-bills be printed, for the Information of all Persons interested in the Event.

Resolved, That they are extremely surprised to find the Coal-factors attempting to rid themselves of Engagements, which the Trade has hitherto thought not only reasonable, but indispensibly necessary for the Security of their Property; and therefore thus publicly acquaint them, That an Application will be made to Parliament to put this Business under some permanent equitable Regulations, unless the Coal-factors will conform to the Act of Parliament passed in the Year 1730, and the Agreement submitted to by the Owners of the Shipping for the Convenience of the Coal Buyers, immediately subsequent to that Act; and that they do insist upon an immediate Notice from the Coal-factor of any Defect in the Payment of the full Two-thirds of the Value of the Cargoes sold, otherwise shall consider themselves totally exonerated from any Risque attending it.
